City leaders break ground on Senior Housing Project

Groundbreaking ceremonies were held Tuesday morning for the Chambers Senior Residences "Solterra" housing project at Linda Way and Chambers Street in El Cajon. Mayor Mark Lewis, Councilmember Bob McClellan, City Manager Douglas Williford, Jim Silverwood, President & CEO of Affirmed Housing Group, and Alice Carr with JP Morgan/Chase Bank were on hand for the groundbreaking.

This project will develop af-

fordable and sustainable residences for very low-income seniors for persons 55 and over, and will offer 49 homes including forty-six 1-bedroom and three, 2-bedroom homes in two buildings. The residences, located at 131 and 155 Chambers Street, will offer on-site management, a computer lounge, gated and covered parking, and a community room. Residents who choose to live a car-free lifestyle will also enjoy a daily shuttle and/or a flex car.

Solterra, a mixed-use development, will also offer its residents the convenience of on-site businesses and retailers featuring street-level commercial space with awning-shaded storefronts facing Chambers Street and Linda Way. Tree-lined sidewalks will be widened to 12 feet on Chambers and 10 feet on Linda Way to be consistent with the City of El Cajon's focus on creating a walkable community.

The project is expected to be completed in the summer of 2013. To get on the waiting list please call Solari Enterprises at (800) 801-8440, ext. 7334. For more information on Affirmed Housing, visit www.affirmed-housing.com/projects/current/solterra.

Summer cruising is back in El Cajon

by Diana Saenger

Summer is just around the corner, which means the return of the Cajon Classic Cruise. Roaring up on April 25 the beloved car show returns with new energy and plans by Cajon Classic Cruise event manager Steve Lordigyan “aka” Charger Steve, also the President of the So Cal Street Rod Association.

“A lot has happened over the past few years about the Classic Cruise, but happily the board members of the newly formed Downtown El Cajon Promenade District voted to bring it back, and promote it. I’m very excited to get the show on the road once again,” Lordigyan said.

When Lordigyan and his family decided to move from Arizona to California in January 2002, he was able to finally look for the car of his dreams.

He found and bought a 1914 T-Bucket Hot Rod and joined a car club. Months later the first car show in El Cajon began and Lordigyan was anxious to show off his prized possession.

“I cleaned that car, made it shinny and drove to the car show,” he said. “So many people admired it, and that made me feel great. But soon I realized I could help put this event together and get thanks from so many people for being part of an event helping to provide the opportunity for other owners to get those comments.”

Lordigyan was a volunteer for the car shows for six years and saw the Downtown El Cajon management go through many changes. For some years the show was handled by San Diego car clubs taking turns each Wednesday, he said, and then different individuals within the Downtown management team ran it. At the end of 2006 the

Downtown management event coordinator hired Lordigyan as event manager of the Cajon Cruise.

“By then the attendance was lacking and the buzz just wasn’t there anymore so I think the management team realized it was time to bring in fresh ideas and new people,” Lordigyan said. “Preparing for the 2007 year’s show there wasn’t a day that if I wasn’t working on a plan, I was thinking about it. We brought in some great bands and entertainment and it ended up being a great year.”

That 2008 success would then face more challenges as El Cajon went through more growing pains including redevelopment of downtown, torn up sidewalks and the Promenade Park and leadership that had ups and down for years.

The Downtown El Cajon Promenade District has changed that. “The Board of Directors has been insightful in getting the ball rolling and saw the value in creating a new focus,” said Promenade District Executive Director Jeff Davies about the events taking place this year in downtown El Cajon.

Lordigyan said 2012 is the year the Cajon Classic Cruise will bring back fun and excitement to a great family event. Once again four street closures will take place even though that’s a huge task to close a main street in the city. On opening night there will be a vintage aircraft flyover by San Diego’s Air Group One from Gillespie Field. There will be face painting, Yoly the Clown, super slide, the live band Breez’n, All Around Mobile Music and giveaways at the East County Gazette booth.

“All that enables us to bring in more cars and then of course more people that will benefit restaurants and businesses downtown,” Lordigyan said. “We plan to close the street at 3 p.m. and the Cruise starts at 5 p.m. Cars will drive in, park and be judged by our event staff volunteers who are chosen for their expertise in Classic cars. During the season 250 winners will take home a trophy and some local merchant coupons.”

An extravagant stage is being designed for the Promenade Park where talented people from the community – magicians, bands, dancers, singers – will have an opportunity to entertain on the stage. An old style trophy presentation will also take place there. Closing the car show on September 26 is the return of Cackle, the Thunder on Main Street nostalgic nitro-burning dragsters. Everything from the authentic helmets to the smell of fuel and loud noise will be exhilarating excitement.

Lordigyan got his nickname because he loves to attend Chargers football games, but also because he had a fixation on the Charger called the “General Lee” in the TV show *The Dukes of Hazzard*.

In addition to the Cajon Cruise Lordigyan puts on car shows for other cities. This summer he will be the announcer at the Barona Drag Strip in Lakeside where Charger Steve’s Movie Car Drag Racing will take place on June 3 and involve some of his very special movie cars. On August 30 he will present his 4th annual Wild Ride & Classic Car Show in Pacific Beach.

Meanwhile, Lordigyan’s focus in on the Cajon Classic Cruise. “I live the Cruise and it lives in me,” he said. “It’s still exciting to see each car come out, see people smile when they see the cars and enjoy the entertainment. It makes all the hard work so rewarding.”

Lakeside Round Up of Events —

by Patt Bixby

Lakeside Revitalization Steering Committee

County Supervisor Dianne Jacob chaired the April 6,

2012 Lakeside Revitalization Committee meeting at the Lakeside Community Center. Issues that needed funding or policy decisions by the Board of Supervisors and issues for which solutions have been found were discussed.

Undergrounding of public utilities on Maine Ave is in the design phase. Construction should begin in early 2013 and last for eight months with the road remaining open.

Drainage funding for Lemon Crest Drive has been secured for the design. There is no schedule for construction and design completion as of yet.

The Graffiti function has been assigned to a citizens committee that was organized by the Lakeside Chamber of Commerce. Reporting can be done via the Lakeside Chamber of Commerce website and/or SDSO Crime prevention personnel.

The task force of Nuisance and dilapidated properties is currently working on 18 or more separate nuisance properties in the community.

The Lakeside Skate Park project design is complete, but on hold until a maintenance entity is identified and an agreement is executed with the county.

Due to the success of the Copps program it has been determined that a security guard at the Lakeside Library is no longer needed.

Plans are in the works to reaffirm the existing Lindo Park Master Plan as still viable and that it should be used as a guide for future park development.

Lakeside Community Planning Group

Administrative Items/Announcement

The Lakeside Chamber of Commerce is seeking nominations for the 2012 Lakeside citizen of the year Herry J. Spence award. Nominations are due by May 28, 2012.

The County Board of Supervisors held a hearing on the Red Tape Reduction Task Force on March 28, 2012 and rejected the staff proposal to eliminate community planning groups.

Site Plan modifications:

Heavy equipment Rental proposes to lease 39,204 sq ft of the North West portion of a parcel owned by the Lakeside Water District. HER, LLC will operate a heavy equipment rental business with operating hours 7 a.m. to 5 p.m. Monday-Friday. Passed.

General Plan Property specific request LS27 requested by C. Halsey, between Jennings Vista Dr. and Blossom Valley Road, for a density

increase to VR 7.3; allowing a potential increase of 15 dwellings units on the Fire-Acre site. At the March 7, 2012 Lakeside Planning Group Meeting the board voted not to approve the request. The proponent will provide additional information on the project. After the public discussion the board voted to deny the request.

During the public discussion W. Ennis requested a rehearing of his properties in Moreno Valley based on new information. Members from the audience voiced concerns over the way Moreno Valley is being changed, first radio

towers and now SDGE power lines. They feel increased industrial zoning will further ruin the valley. Ennis feels his property should be zoned the same as the property around him, as this was a county oversight. Board chairman W. Allen said the item was not on the night agenda. The board agreed to a special meeting to be held in two weeks on April 18, 2012 at 7 p.m. with special River way Trails Meeting at 6:15 p.m.

Planning Board Agenda will be posted 72 hours prior to the meeting at the Lakeside Historical Society. The agenda can be seen at <http://my.calendars.net/ca92040>

Inspiration

Be careful little eyes where you stare

by Rev. James L. Snyder

Whenever I am out in public, I try conducting myself with the greatest of care knowing that people are watching. The thing that bothers me the most is that many people have never mastered the fine art of how to dress in public.

Some people have never been taught how to dress, let alone how to dress in public. Whenever I go to the mall, and believe me it is as seldom as possible, I cannot help noticing some of these people.

What I cannot understand is why young men wear pants too big for them and young women wear pants too small for them. Perhaps we ought to get a little group together and try to reverse this trend. Somebody got the wrong information.

I was in the mall the other day and noticed several young men in front of me with trousers several sizes too big and were constantly falling down. One hand was grabbing their trousers while the other hand was hanging onto a cell phone.

I wanted to go up and tell them that there is this marvelous new invention called "The Belt" that would solve the problem that they were having. Once they have "The Belt," they can put it on and forget about their trousers falling down to their ankles. If there is anything I do not want to see it is somebody's trouser falling down to their ankles.

Criticize me if you want to, but I simply cannot not follow these young men walking down the mall. By the time I go the space of three stores, I am a nervous wreck wondering when those trousers are actually going to fall.

Young women are no different. It seems to me that most

young women purchase their entire wardrobe when they are in the first grade. At that time, the clothing fits very nicely. By the time these young women hit the 10th grade, those first-grade clothing are not only out of style, but fit no more. Where are their mothers?

I know the economy is bad, but really, is it so bad that people cannot afford to upgrade their wardrobe, as they get older and consequently bigger? Shouldn't there be some sale on mirrors these days?

If I were a congressman in Washington DC, I would work very hard to pass a bill that would make it illegal to walk out of your house on any given morning without first looking into the mirror to see if everything is covered. That is the kind of change I can believe in.

As I get older, it gets more difficult to conduct myself as a gentleman because there is so much I do not want to see.

Last week I had to return an item to a store and was unprepared for what I was to encounter. I assumed I was well prepared for the day. I went through the normal routine of exercising my eyes to look upward. I try my best when I am out in public to look into the eyes of people, especially those of the gentler sex. This particular day I had really met my match.

I stood in line waiting to return my item and I was not thinking too much about the process. I was humming to myself some hymn that was on my mind at the time and was not paying attention to the surroundings. As I say, I trained my eyes to look upward when I am out in public.

Eventually, it was my turn to go to the counter and return the item. I walked up and was aghast. I said to myself, "Look

at the eyes, look at the eyes, look at the eyes." For some reason my eyes were not paying any attention whatsoever. All those years of training seem to have gone out the window.

My eyes were in a staring mode and I did not know how to break it.

It really is not my fault; I think people should take personal responsibility for their person when they go out in public. They should make sure that everything is prim and proper because you never know what you are going to run into in any given day.

For a moment, I had forgotten what I was at the counter for, I tried to shift my eyes into a higher level and it was all I could do to communicate what I needed to communicate at the time.

But my eyes, oh, my eyes. They certainly were not helping me in this regard.

I might as well come clean and confess.

As I walked up to the counter to return my item I could not help but notice that the woman behind the counter was wearing, and you will not believe me, a beard. Yes, I said a beard, whiskers and all. I could not believe it at first. I thought maybe my eyes were trying to get back at me for being so harsh on them the last few months.

But no, there in full view of everybody, including my pair of eyes, was a woman with a beard any man would have been proud to wear.

All I could think of at the time was what Job said. "I made a covenant with mine eyes; why then should I think upon a maid?" (Job 31:1 KJV).

My motto: be careful little eyes where you stare.

Dear Dr. Luauna

Why do you preach so much about Jesus? Does it really matter? What good does it do anyway, we live in America? Signed, Why Preach?

Dear Why Preach,

Missionaries travel throughout the world, reaching people in need of Jesus, while millions of people in America go throughout their day never thinking about Christ. Many never take notice of the condition of United States. I am a Missionary to America! No, I am not a Mormon; I am a Born Again Christian.

I have traveled throughout the world and had the privilege of leading thousands of people to Jesus in other countries. Yet right here in the USA, many people have hardened their heart towards the gospel message of Jesus Christ or they have never heard the gospel message of salvation through the Cross of Calvary. The media also seems bent on mocking Jesus in many mediums such as TV, radio, and internet.

Many have fallen away and have left a bad example of Christianity. I have an urgency to reach into every city, town and all of California, with our mission: Jesus is coming are you ready?

Abortion is out of control in America, with over 4 million done alone in our nation within one year, and that is an old report from 1996. Why do women have abortions? One percent of all abortions occur because of rape or incest; 6% of abortions occur because of potential health problems regarding either the mother or child, and 93 percent of all abortions occur for social reasons (i.e. the child is unwanted or inconvenient). Sexual intercourse amongst teens is out of control, and the rise of homosexuality is promoted as a normal lifestyle!

Gang violence and teen suicide are continually increasing. Alcohol among families destroys family members. While drug use; crystal meth, heroin, and cocaine is escalating. What is the answer? Jesus! Our Hope of freedom comes from the Cross of JESUS Christ. The power which raised Jesus from the dead still has power to deliver the lost today. America needs, A TOUCH FROM THE MASTER, His name is Jesus, and I am a Missionary to America.

Romans 10:14-15a, "How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they preach unless they are sent?..."

For Health's Sake

Five cancer-fighting spring time fruits and veggies

The price of springtime fruits and vegetables seems to increase each year. But when buyers break this expense down to cents, they realize stocking up on these cancer-fighting foods still makes economical sense, say experts from The University of Texas MD Anderson Cancer Center.

"Eating a plant-based diet rich in vegetables, fruits, whole grains and beans can reduce your risk for cancer," said Clare McKindley, a clinical dietitian at MD Anderson's Cancer Prevention Center. "And buying what's in season keeps your diet fresh and helps you build confidence in your food choices, while supporting your long-term health goals."

Here's a list of affordable springtime fruits and vegetables with the cost per serving, based on price listings from the United States Department of Agriculture. Prices may vary depending on where a person lives.

1. Strawberries: \$0.89 per serving

- Health perks: Strawberries are loaded with cancer-fighting nutrients that protect the body from breast, skin, bladder, esophageal and lung cancers.

- Fresh check: The freshest strawberries still have their green cap attached. They're firm and are free from mold, decay or damage. More than half of the berry surface should be pink or red.

- Serving size: 1 cup

- Calories per serving: 46

- Price: \$2.28 average price per pound. A pound of strawberries should give more than 2 cups of whole strawberries.

2. Pineapple (whole): \$0.70 per serving

- Health perks: This sweet treat is low in sodium and high in vitamin C. And, it's perfect as a fat-free dessert option to

help adults maintain a healthy weight and lower cancer risks.

- Fresh check: Choose pineapples that don't have soft or dark spots and dry-looking leaves.

- Serving size: 1 cup of pineapple chunks

- Calories per serving: 82

- Price: \$1.04 average price per pound. One pineapple should give about 5 cups of fruit chunks.

3. Spinach: \$0.52 per serving (raw)

- Health perks: Spring is the season of greens, and, spinach is full of green goodness. Eating spinach powers up the body with fiber, folate and antioxidants that may protect the body from cancers of the mouth, pharynx and larynx.

- Fresh check: Opt for fresh, crisp, green bunches. Watch out for leaves that have insect damage.

- Serving size: 1 cup spinach raw

- Calories per serving: 7

- Price: \$3.92 average price per pound. A 10-ounce bag gives about 5 cups of raw spinach.

4. Mustard Greens: \$0.81 per serving (cooked)

- Health perks: For those who aren't big spinach fans, mustard greens are an option.

Plus, they're packed with the same cancer-fighting power.

- Fresh check: Choose leaves that are fresh, fairly tender, clean and free from decay, discoloration or other damage.

- Serving size: 1 cup cooked

- Calories per serving: 21 (cooked with no salt or fat added)

- Price: \$2.19 average price per pound. You should get about 2 ½ cups of cooked mustard greens per pound.

5. Broccoli (fresh): \$0.63 per serving (cooked)

- Health perks: Broccoli is the most popular member of the cruciferous family. It's a mighty green, boasting huge quantities of folate, fiber and antioxidants that defend the body from colorectal cancer.

- Fresh check: Sniff out the best broccoli. Choose odorless bunches with tight, bluish-green florets.

- Serving size: 1 cup chopped broccoli

- Calories per serving: 30 (cooked with no salt)

- Price: \$1.84 average price per pound. One pound gives about 5 cups of chopped broccoli.

Stroke and Osteoporosis Screenings in El Cajon

Residents living in and around the El Cajon, California community can be screened to reduce their risk of having a stroke or bone fracture. Elks Lodge #1812 will host Life Line Screening on April 27. The site is located at 1400 E Washington St in El Cajon. Richard Bennet from Woodland Hills, CA, participated in a Life Line Screening event in March 2008 and learned he had an abdominal aortic aneurysm. He writes, "I feel as though Life Line Screening saved my life and can't thank you enough!"

Four key points every person needs to know:

- Stroke is the third leading cause of death and a leading cause of permanent disability
- 80 percent of stroke victims had no apparent warning signs prior to their stroke
- Preventive ultrasound screenings can help you avoid a stroke
- Screenings are fast, noninvasive, painless, affordable and convenient

Screenings identify potential cardiovascular conditions such as blocked arteries and irregular heart rhythm, abdominal aortic aneurysms, and hardening of the arteries in the legs, which is a strong predictor of heart disease. A bone density screening to assess osteoporosis risk is also offered and is appropriate for both men and women.

Packages start at \$149. All five screenings take 60-90 minutes to complete. For more information regarding the screenings or to schedule an appointment, call 1-877-237-1287 or visit our website at www.lifelinescreening.com. Pre-registration is required.

Flying directions

An atheist was seated next to a little girl on an airplane and he turned to her and said, "Do you want to talk? Flights go quicker if you strike up a conversation with your fellow passenger."

The little girl, who had just started to read her book, replied to the total stranger, "What would you want to talk about?"

"Oh, I don't know," said the atheist. "How about why there is no God, or no Heaven or Hell, or no life after death?" as he smiled smugly.

"OK," she said. "Those could be interesting topics but let me ask you a question first. A horse, a cow, and a deer all eat the same stuff - grass. Yet a deer excretes little pellets, while a cow turns out a flat patty, but a horse produces clumps. Why do you suppose that is?"

The atheist, visibly surprised by the little girl's intelligence, thinks about it and says, "Hmmm, I have no idea."

To which the little girl replies, "Do you really feel qualified to discuss why there is no God, or

no Heaven or Hell, or no life after death, when you don't know s@#t?"

Then she went back to reading her book.

‘Bully’ – a must see by parents, teens, school teachers and administrators

Review by Diana Saenger

The film *Bully* has received so much attention from ads, trailers and social media it’s doubtful the content of the film is unknown. It’s a character-driven documentary about America’s bullying crisis. Writer/director Lee Hirsch filmed several children who had been bullied as well as parents, school teachers and administrators during the course of a 2009/2010 school year inside East Middle School, in Sioux City.

The stories of several subjects were chosen to identify with this tragedy that has become epic in America. I assumed these stories would be uncomfortable and tragic, but the impact of the film goes way beyond those feelings.

Alex is a 12-year-old trying to cope with bullying at his school in Sioux City. Every day he trots off to school with the best of intentions – only to suffer slurs, curses, pencil stabbing, neck choking and worse right on the bus. Just trying to fit in, he paints one picture of his torture to his parents while actually suffering another. When his mom and dad try to interact with school officials on his behalf, they might as well be slapped in the face by the “kids will be kids” type answers they receive.

Kelby, a 16-year-old Oklahoma girl and all-star athlete who finally came out to everyone about being a lesbian, never knew how far bias could go in her own small town. Students, teachers, Christians and townspeople forced her out

of sports. When her parents wanted to move away, she valiantly said no, but there comes a point when the backstabbing is enough, and the breaking point is not far away.

Some kids can handle more than others. For 14-year-old Ja’Meya of Yazoo County, Mississippi, who was picked on every morning and afternoon of the hour-long bus ride between home and school, it soon became too much for her to bear. Her solution involved a loaded handgun.

For some parents, intervention comes too late or not at all. David and Tina Long were among those parents in October 2009 when 17-year-old Tyler Long of Murray County, Georgia, hanged himself after years of abuse at the hands of his classmates and indifference from school officials. His parents demanded accountability from the school and sparked

a war among the community. But even if one child is now saved, it can never ease the pain of finding your son hanging in his closet.

Kirk and Laura Smalley’s son 11 year-old Ty’s life was ended by suicide as a result of bullying. Kirk launched an anti-bullying organization, Stand for the Silent, coordinating a series of vigils that underscore the high stakes of America’s bullying crisis.

“Suicide is the ultimate consequence of bullying, so yes, we did know early on that we wanted to tell the stories of parents whose children had committed suicide due to bullying,” Hirsch said. “We wanted people to be aware of how high the stakes are and to dispel the notion that bullying is just “kids being

kids.” We filmed with four families. The youngest child lost was 9-year-old Montana Lance, who hung himself in the nurse’s office at his elementary school.”

While not easy to watch, *Bully* is one of the most important films teachers, school administrators and parents of children still in school can see, and they should see it with their teens. The MPAA rating was changed from an “R” to a “PG-13” to enable more viewers to see it, which seems absurd since kids can watch teens kill each other to survive in *Hunger Games*, the current popular fantasy film.

Come and see what all Grossmont College has to offer. An unprecedented, family-oriented educational opportunity in your own backyard like never before. Grossmont is opening its doors over two action-packed days and inviting all families to experience college, plus lots of fun. Don't miss hands-on science and art interactive demonstrations, sports clinics, workshops on enrolling and succeeding in college, lunch from 12 gourmet food trucks and a world's record attempt at noon on Saturday. Once-in-a-lifetime opportunity. There's something for everybody.

Grossmont College to host Open House to celebrate 50 year anniversary

A 50-year anniversary doesn't happen every day, so Grossmont College will celebrate its golden moment in history with a blowout weekend of free events for the community to enjoy April 13 and 14 at the El Cajon campus.

Music lovers, foodies, dancers, amateur scientists, artists, CSI fans, poets, fitness and health devotees, theater lovers, techies, gamers, math whizzes – there's something for everyone.

Featuring an old-fashioned Sock Hop dance, a dozen gourmet food trucks, cooking classes, a dedication ceremony for the college's two newest high-tech buildings, and even the opportunity to join in an attempt to set a new world record, the two days will be jam-packed with events celebrating the college's half-century of academic excellence in the East County.

"Our faculty and staff are opening our doors and inviting local residents to take

advantage of the incredible resources that are available in their backyard," said Grossmont College President Sunny Cooke. "We're hosting a fun-filled, family-oriented festival that will appeal to the community like never before."

Dubbed "A 50-year Spectacular," the celebration kicks off at 6:30 p.m. on Friday at the college's Main Quad with student musical performances until 7:30 p.m. of the gospel choir, jazz ensemble and Afro-Cuban ensemble.

A Sock Hop dance at 7:30 p.m. will cap Friday's celebration with Footloose, a live classic oldies band in the Main Gym for all ages. Free dance lessons in a classroom near the Main Gym will have you doing the twist, the swim and the mashed potato in no time to show off at the Sock Hop.

Among Saturday's events: a 9:30 a.m. dedication ceremony for Grossmont's Griffin Center, the college's remodeled student center, and the Student Services and

Administration building; a Department Fair from 10 to 11:30 a.m. and from 12:30 to 2 p.m.; classic vintage cars on display; and a Guinness World's Record attempt at noon in the Main Quad with free T-shirts for joining in. Enjoy the savory fare of a dozen gourmet food trucks from 10 a.m. to 2 p.m., when the celebration will end.

The Department Fair will feature the latest educational innovations and technologies of Grossmont's departments

and disciplines, including theater arts, music, health professions, culinary arts, math and English, administration of justice, and exercise science. Here's a sample of what's on tap:

- Create your own video game; dissect a sheep brain; make your own lip balm, lipstick, super bouncy balls and ceramics artwork; draw or paint either digitally or with paints and pencils; compete

Grossmont College then ...

Grossmont College now

Welcome to Grossmont College

Sunita V. Cooke, Ph.D.
President

Welcome to Grossmont College. It is my pleasure to personally invite you to our 50th Anniversary Celebration so you can experience all that Grossmont College has to offer.

Since the first day of classes in 1961, Grossmont College was destined to become one of San Diego County's leading higher education institutions. We have played a critical role in East County by creating a rich dynamic educational climate, one that supports students, employees and the community. Throughout the decades, we have served more than 1.6 million students. Roughly one out of every three adults living in East County has taken one or more classes at Grossmont College.

Everywhere I go, I hear stories about what a difference Grossmont College has made in someone's life. In my travels, I constantly hear this familiar phrase: "if it hadn't been for Grossmont..." As president, I have witnessed the sacrifice and dedication of our faculty and staff as they have invested themselves in teaching and

mentoring our students. They aim to inspire students to achieve their full potential, even when it is far beyond what the individual believes he or she can achieve. At Grossmont College, we believe that an education is the door to opportunity, to improving the lives of individuals and families, and developing a community. Our 50-year celebration is our way of demonstrating how successfully we've changed lives through education and worked together with the local community to represent the very best in California's educational promise.

Please make plans to join us at our Community Open House on our campus, April 13 and 14. Hey, you don't turn 50 every day. I guarantee that you will be impressed with the recent new additions to the campus. The college is opening its doors like never before in its 50-year history. Don't miss this unprecedented opportunity for students, parents and grandparents to experience firsthand what college is all about. Over two action-packed days, it will be a "50-year Spectacular, A Sizzling Celebration." Be prepared to be wowed when you visit our 50th website for a complete schedule of events, www.grossmont.edu/50years. There's something for everybody. Enjoy a Sock Hop dance, food truck festival, classic cars, free cooking, artistic activities and science classes. Meet our faculty and experience classroom fun, including hands-on interactive exhibits. Plus, help put Grossmont College on the map by setting a world's record. I want to meet you and show you and your family all the amazing opportunities that Grossmont College has available. See you April 13 and 14!

2012 Fiat Abarth

A look under the hood of the 2012 Fiat Abarth. Photo credits: Dave Stall

by Dave Stall

Well it is almost here....the Fiat Abarth, what is an Abarth you ask? Well it the race version of the Fiat 500 thanks to Karl Abarth. He started modifying 500's back in the early days of Fiat and became synonymous with Fiat-Speed and Winning.

Now Fiat has brought this little racer to the US, (It is almost here). My test drive of the Abarth was a pure joy, as you know I am very fond of small compact cars that scoot, and this one scoots! You get a 160 Horsepower with new 1.4-liter MultiAir® turbo engine. Custom race seats in Lipstick red!

Behind the unique Rosso

(red) Abarth engine cover and Abarth-designed front fascia with twin "nostrils," lies the heart of the FIAT 500 Abarth – the all-new 1.4-liter MultiAir Turbo engine backed with a stronger, manual five-speed transmission, equal-length half shafts, 3.35 final-drive ratio, and a Torque Transfer Control (TTC) system that delivers power to the pavement.

Add to that a sport tuned suspension, 17-inch alloy wheels (replaces the 16-inch wheels). You also get a Sport Mode located on the dash, push it and you get a standard-equipped "Sport" mode calibration for more engaging driving. Should the driver select Sport mode on the instrument panel, the Abarth-tuned powertrain control module (PCM) unleashes

the full power of the 1.4-liter MultiAir® Turbo with linear throttle response and a more performance-weighted steering feel.

When Sport mode is not engaged, the Fiat 500 Abarth returns to "Normal" mode, and limits the torque in first and second gears to enhance fuel efficiency and minimize CO2 emissions. Fuel mileage? I forgot to check? Having too much fun!

More on the suspension, dual-valve Frequency Selective Damping (FSD) KONI® front-shock absorbers replace standard twin-tube units and deliver an innovative two-in-one solution. This patented technology provides the road-holding and handling characteristics needed for maximum grip and performance. In addition, the FSD system actively filters out high-frequency suspension inputs from uneven road surfaces and adjusts for improved comfort and smoothness.

The beefier rear-suspension design takes the Fiat 500 Sport model's twist-beam design further, with a reinforced rear axle with strengthened

2012 Fiat Abarth.

coil-spring supports. A new Abarth-specific rear-stabilizer bar increases cornering grip. For improved handling, minimal body roll and ride-height control (when fully loaded), the new Fiat 500 Abarth features 20 percent stiffer rear springs.

The bottom line is the Fiat Abarth is worth every penny of its \$22,000 base price, four colors, red-black-white and silver, they should be in the dealers once this review hits the news stands! Oh don't forget to check out the exhaust noise!

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call Priority Posting & Publishing at (714) 573-1965 or visit this Internet Web site www.priorityposting.com using the file number assigned to this case 805D-061602. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of JOHN HENRY CAPISTRAN AKA JOHN H. CAPISTRAN AKA JOHN CAPISTRAN.

A PETITION FOR PROBATE has been filed by CYNTHIA AMBER CAPISTRAN in the Superior Court of California, County of SAN DIEGO.

THE PETITION FOR PROBATE requests that CYNTHIA AMBER CAPISTRAN be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's WILL and codicils, if any, be admitted to probate. The WILL and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 04/24/12 at 11:00AM in Dept. PC-1 located at 1409 4TH AVENUE, SAN DIEGO, CA 92101

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within four months from the date of first issuance of letters as provided in Probate Code section 9100. The time for filing claims will not expire before four months from the hearing date noticed above.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code Section 1250. A Request for Special Notice form is available from the court clerk. Attorney for Petitioner

CITY OF EL CAJON

ORDINANCE NO. 4976

AN ORDINANCE AMENDING SPECIFIC PLAN NO. 19 TO REMOVE THE CITY OF EL CAJON FORMER POLICE STATION AND ADJACENT CALTRANS PROPERTIES FROM GOVERNANCE BY THIS SPECIFIC PLAN.

WHEREAS, the City Council adopted Resolution No. 48-11, on April 26, 2011, initiating amendments to the General Plan, City Zone Map and Specific Plan No. 19, governing development on 100 Fletcher Parkway (APN: 483-071-52) and the adjacent Caltrans property; and

WHEREAS, the Planning Commission held a duly advertised public hearing on February 27, 2012, on this item and then adopted Resolution No. 10686 recommending City Council approval of Amendment to Specific Plan No. 19 to remove the City of El Cajon former Police Station and adjacent Caltrans properties from its governance by deleting the subject site from its boundaries; and

WHEREAS, the City Council held a duly advertised public hearing on March 27, 2012, to consider the proposed Amendment of Specific Plan No. 19; and

WHEREAS, the City Council reviewed and considered the information contained in the final Mitigated Negative Declaration and Mitigation, Monitoring and Reporting Program, together with comments received during the public review period in accordance with CEQA Guidelines Section 15074 and then adopted Resolution No. 33-12 adopting the same; and

WHEREAS, the City Council adopted Resolution No. 34-12, approving General Plan Amendment 2011-01 to amend the Land Use Element of the General Plan by changing the land use designation of the former City of El Cajon police station and adjacent Caltrans properties from PI/ SDA No. 8 to RC.

SECTION 1. Based upon the record as a whole, the City Council hereby makes the following findings:

A. The proposed specific plan amendment serves the public interest by removing the subject site from the governance of Specific Plan No. 19, which is intended to provide for a more

intensive development on the Westfield Parkway site, specifically, enhanced commercial standards in concert with parking structures. The project site is 4.1 acres and is not likely to develop with an intense commercial use in concert with a parking structure; and

B. The proposed specific plan amendment to remove the project site from Specific Plan No. 19 will systematically implement the City's General Plan by focusing Special Development Area No. 8 to the City's regional mall as described in the General Plan.

SECTION 2. The City Council hereby AMENDS Specific Plan No. 19 removing the City of El Cajon former Police Station located at 100 Fletcher Parkway and adjacent Caltrans properties from its governance as shown on Exhibit "A" attached hereto and incorporated herein by reference.

ORDINANCE NO. 4977

AN ORDINANCE REZONING THE CITY OF EL CAJON FORMER POLICE STATION AND ADJACENT CALTRANS PROPERTIES FROM THE RS-6 (RESIDENTIAL, SINGLE-FAMILY, 6,000 SQUARE FEET), M (MANUFACTURING), AND C-N (NEIGHBORHOOD COMMERCIAL) TO C-R (REGIONAL COMMERCIAL); GENERAL PLAN DESIGNATION: REGIONAL COMMERCIAL (RC) (ZONE RECLASSIFICATION NO. 2305).

WHEREAS, the City Council adopted Resolution No. 48-11, on April 26, 2011, initiating amendments to the General Plan, City Zone Map and Specific Plan No. 19 governing development on 100 Fletcher Parkway (APN: 483-071-52) and the adjacent Caltrans property; and

WHEREAS, the City Council held a duly advertised public hearing on March 27, 2012, to consider Zone Reclassification No. 2305; and

WHEREAS, the City Council reviewed and considered the information contained in the final Mitigated Negative Declaration and Mitigation, Monitoring and Reporting Program, together with comments received during the public review period in accordance with CEQA Guidelines Section 15074 and then adopted Resolution No. 33-12 adopting the same; and

WHEREAS, the City Council adopted Resolution No. 34-12, approving General Plan Amendment 2011-01 to amend the Land Use Element of the General Plan by changing the General Plan Land Use designation of the subject properties from Public Institution/ Special Development Area No. 8 to Regional Commercial.

SECTION 1. Based upon the record as a whole, the City Council hereby makes the following findings:

A. The proposed amendment to the El Cajon City Zone Map rezoning the subject properties to C-R, is compatible with the objectives, policies, general land uses, and programs

specified in the General Plan because the proposed C-R zone is consistent with the proposed General Plan Land Use designation of RC as indicated in the General Plan Zoning Consistency Chart adopted by City Council Resolution No. 94-10; and

B. The proposed rezoning will not be inconsistent with any applicable Specific Plan, because the Council adopted Ordinance No. 4976, removing the subject site from SP No. 19; and

C. A zone change to the C-R zone is in the best interest of public necessity and convenience because it will make the zoning on the subject site consistent with the RC General Plan Land Use designation governing the site, effective March 27, 2012.

SECTION 2. The City Council hereby RE-ZONES the subject properties located at the northeast corner of Fletcher Parkway and North Magnolia Avenue from the RS-6, M, and C-N to C-R zone as shown on Exhibit "A" attached hereto and incorporated herein by reference.
