Viejas Arena ...

Continued from page 1

The naming rights agreement will officially go into effect July and will pay SDSU approximately \$6 million over 10 years. The agreement was brokered by Premier Partnerships with local support by ISM. Cox Communications paid SDSU more than \$5 million over the 12 year life of the previous agreement, which will expire June 30, 2009.

"The arena at SDSU is one of the premier venues in Southern California for sports and

entertainment," said Bobby L. Barrett, Viejas Tribal Chairman. "We're very excited to be associated with SDSU and its arena in such a meaningful way and we are looking forward to building upon our already great relationship with SDSU."

Viejas Entertainment & Production President Anthony San Pietro said, "Viejas has a long and successful track record in the entertainment field, including event production and concert booking and promotion. We look forward to bringing that experience to the new Viejas Arena to enhance its reputation as one of southern California's premier sports and entertainment venues."

Opened in 1997 as Cox Arena, the arena seats 12,414 for basketball and up to 12,845 for concerts. It is home to SDSU's men's and women's basketball teams and has hosted such acts as Aerosmith, Pearl Jam, Neil Diamond, Elton John and Bob Dylan. SDSU hosted the first two rounds of the 2001 and 2006 NCAA men's basketball tournaments there, and this month will welcome the first two rounds of the NCAA women's basketball tournament. as The Wiggles, the arena has become an important venue for a variety of community activities.

Local Students recognized for Community Service

The "Violet Richardson Award" recognizes young women who

make the community and the world a better place through their volunteer action. Soroptimist is an international organization whose members volunteer in their communities and work to support women

and children. Although the Soroptimist Club realizes that volunteering is its own reward, they know that it feels good to be recognized. That is why they sponsor this award.

Applications for this award came from students at Granite Hills High School, Steele Canyon High School and El Capitan High School. All the applicants were honored at a luncheon in Alpine held Feb. 28th and were recognized for their efforts in volunteerism. The seven young women honored were Brandi Brown, Marissa Evans, Kara Hallett, Kara Hostettler, Christina Lafreniere, Angelica Price and Carly Riche. The girls have a wide variety of interests and volunteer in organizations such as Leo's, Key Club, Girls Scouts, American Cancer Society, Cadet Teacher Programs, Big Brother Big Sisters and at Alvarado Hospital.

The girls, their families and special guests were treated to a luncheon and each applicant received a certificate of honor and a gift bag. Each young woman was given the opportunity to tell a bit about her volunteerism and her achievements. All seven of these applicants were worthy of being selected as the top honoree but only one could be chosen.

Based on her application and written essay, Marissa Evans was honored as this year's recipient of the Violet Richardson award. Marissa is enthusiastically involved in many activities. Besides being a high achieving academic student, Marisa is the founder and president of the Steele Canyon Junior Statesmen of America Chapter, the Junior Statesmen National Director of Activism/Election 2008 Coordinator, and the News Editor of the Steele Canyon Higher School Chronicle. Marissa also serves as President for the Steele Canyon Key Club. She will further her goal of becoming a political journalist as she starts college in the fall. At this time, she has not yet determined where she will attend college but has received numerous acceptance letters. As the recipient of the Violet Richardson Award, Marissa was presented a \$100 check for her own personal use and a \$100 check was given to the Pasta for Pennies Campaign in her name.

Co-Chairpersons, Susan Manis and Helen Metzger, say that the Alpine Soroptimist

Club members look forward to this annual event and enjoy the occasion to show their support and appreciation, not only to the young women but to their families, mentors and counselors. They are grateful for the opportunity to recognize these committed young women and the organizations and charities that they serve

Local teachers treated to shopping spectacular

Alpine-area teachers will want to put their lesson plans aside and take advantage of a special shopping event being held just for them at dressbarn in Alpine. From March 19th to 22nd, the national women's apparel retailer will be hosting a Teacher V.I.P. (Very Indulgent Party) to express its appreciation for the women who shape the youth of the Alpine-area community. Each store will host this special Teacher V.I.P. event on one of these four days.

"We recognize that our local women educators often times are selective when it comes to spending money on their personal and professional wardrobes," said Sharon Stubbs, district manager of dressbarn in Alpine. "But at dressbarn we believe that every woman can look like a million without having to spend a fortune. This event will prove that women can dress stylish without living beyond their means."

Described as an in-store shopping celebration, the V.I.P. event will indulge teachers with personal attention, season-specific fashion tips and top-notch service. Each guest will also receive 15 percent off of their entire purchase.

"Alpine-area teachers spend countless hours in the classroom and we think it's time for them to spend a little time on themselves," said Sharon Stubbs. "This V.I.P. event is guaranteed to be a fun-filled affair complete with plenty of style and savings. We want to make it easy and fun for local teachers to look and feel their best."

Sharon Stubbs goes on to note that V.I.P. Shopping Celebrations, which can be hosted at dressbarn at anytime, are great alternatives to throwing home parties. V.I.P. hosts receive a 25 percent hostess coupon, as well as up to 10 postcard invitations that double as an exclusive discount for each guest. When guests arrive, they're greeted with a personalized welcome sign and party favors.

"Dressbarn wants to support

women in their desire to look their best for less," said Sharon Stubbs. "Our V.I.P. parties are a great way for women of the Alpine area to celebrate finding high-quality, fashionable styles that are practically priced with their family and friends."

2009 Nissan Maxima has a style of its own

by Dave Stall

I must be showing my age, when it comes to domestic cars I'm a Chevy guy, when it comes to Japanese imports I'm a Toyota guy. But as I get older and cars get better my brand

loyalty is starting to blend into the other makes.

Take the 2009 Nissan Maxima. It is a nice four door sedan but, when you get closer it has a style all its own. Look down the side of the car and see an hour-glass look. In fact

when the driver slides behind the steering wheel he/she will notice that he/she can see the ends of the fenders, I liked it!

I think Nissan has passed Toyota in styling and performance and they have done it with the Maxima and a few

other models. But let's talk about the Maxima.

The Maxima has a healthy 3.5-liter V6 that will produce 290 horsepower at 6,400 rpm and 261 pound foot of torque at 4,400 rpm. It has con-

tinuously valve timing on valve timing on the intake valves and electronic continuously valve timing on the exhaust valves. In laymen terms the engine is smarter than we are and tries to burn as much fuel efficiently as it can plus gives us gobs of horsepower.

Maxima owners get one transmission, an Xtronic CVT (Continuously Variable Transmission) and paddle shifters on the steering wheel for that manual mode feel. This is the latest in fuel economy transmissions that will never shift if you keep your foot in it, kind of like a golf cart but with a lot more potential. It has a fabulous four wheel independent suspension that will give a great ride on the open road and help the driver through the twisties if one desires. Seating is excellent, well bolstered and with enough adjustment to make grandpa happy.

Once behind the wheel the driver will find everything needed as close as their finger tips, climate controls, sound system cubby holes galore and if one has to sit in the back seat that is not a bad thing, plenty of room and comfort. Need trunk space? No problem the Maximum will give all one can handle.

Bumper to bumper with Dave Stall

Dave: Why can't I find anyone that will install a trailer hitch on my 2001 Honda Civic? I want to buy a small 2-person camp trailer and go to the desert but I don't want a gas guzzling pickup truck since I would only be going to the desert once or twice a year. Any help would be appreciated. Donna, Alpine.

Donna: it is all about safety, the Honda Civic is not designed to haul a trailer and since it is a front wheel drive vehicles by putting a trailer on the back of the car would cause a problem called fish tailing where the trailer would eventually whip the car from side to side and could cause an accident. If you're only going to the desert once or twice a year why not rent a truck to tow your new trailer or better yet rent a motorhome and really go in style, A/C, refrigerator, TV the works. A once or twice time a year rental is cheaper than owning a truck or a motorhome for a year!

Got a car question? Call or contact Dave www.davestall.com

When it comes to standard features I don't have enough room in this article to list them all, but one that stands out is the dual pane sunroof, XM radio, back up camera, heated mirrors and I haven't even gotten to the safety features,

front airbags, side airbags, side curtain air bags, vehicle dynamic controls, traction controls, crumple zones to help protect the occupants, energy absorbing steering wheel, steel beams in the doors, and a tire pressure monitoring system.

If anyone is looking for a great four door sedan and their looking to pay around

\$29,290 plus options tax and license, then the Nissan Maxima needs to be on your shopping list and right now Nissan is kicking back \$2,500 plus a \$500 bonus, stop by any of the Mossy Nissan stores for more information, at least drive it and see if I was on the money!

Aztec fans have a lot to cheer about

by Chuck Karazsia

Okay, so the men's basketball team didn't get to the "Big Dance". The NCAA post season tournament...

But the Aztec women did...

Congratulations to head coach Beth Burns and the Aztecs women basketball team as the lady round-ballers clinched a share of the regular season conference title in Las Vegas thus were awarded the No. 10 seed in the 64-team NCAA Women's basketball tournament.

The Aztecs (23-7) begin play this Saturday at the Cox Arena hosting No.7 seed DePaul (23-9),in what figures to be a highly competitive contest.

The Blue Demons are led by a pair of All-Big East second-team players Natasha Williams and Deidre Naughton.

The lady Aztecs are led by Quenese Davis and Paris Johnson. Both are hungry going into the "Big Dance".

This marks the second time in Beth Burns tenure at SDSU, that her team attained a (23-7) record and an NCAA Tournament berth (1996-1997).

Fans always support their team. Photo by Chuck Karazsia

Laughter is the Best Medicine

If ...

If lawyers are disbarred and clergymen defrocked, doesn't it follow that electricians can be delighted, musicians denoted, cowboys deranged, models deposed and dry cleaners depressed?

Laundry workers could decrease, eventually becoming depressed and depleted! Even more, bedmakers will be debunked, baseball players will be debased, landscapers will be deflowered, bulldozer operators will be degraded, software engineers will be detested, and even musical composers will eventually decompose.

CITY OF EL CAJON
PUBLIC NOTICE
FIVE-YEAR CONSOLIDATED PLAN FOR FISCAL YEARS 2009-2010 THROUGH 2013-2014
AND
ONE-YEAR ACTION PLAN FOR FISCAL YEAR 2009-2010 – PROJECTS RECOMMENDED FOR FEDERAL FUNDS
REALLOCATION OF PRIOR YEAR CDBG AND HOME FUNDS
NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the El Cajon City Council held a public hearing to accept and consider public testimony regarding the Five-Year Consolidated Plan and to allocate Community Development Block Grant (CDBG) and HOME Investment Partnership Program funds on Tuesday, February 24, 2009, at 7:00 P.M. in the El Cajon Council Chambers at 200 Civic Center Way, El Cajon, CA 92020. The public hearing was continued to Tuesday, April 14, 2009, at 3:00 P.M. at the Council Chambers. CDBG and HOME grants are funded by the U.S. Department of Housing and Urban Development (HUD).

The 2009-2014 Consolidated Plan (CP) document represents the City of El Cajon's effort in fulfilling the requirements under the federal Community Planning and Development (CPD) regulations for the HUD-funded grants. Key components of the document include a comprehensive housing and community development needs assessment and a five-year strategic plan that addresses the identified needs. A draft of the document will be available for public review and comment beginning March 12, 2009.

For fiscal year 2009-2010, the City of El Cajon anticipates receiving \$1,234,525 in CDBG funds and \$759,051 in HOME funds. An additional \$902,547 of unallocated prior year CDBG and \$477,271 of HOME funds is also available for allocation at this time. The CDBG funds must be utilized to meet one of three national objectives to qualify for funding: 1) benefit 70% low and moderate income persons in the community; 2) aid in the elimination of slum and blight; or 3) meet other community development needs having a particular urgency because existing conditions pose a serious threat. HOME funds may be used "to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition..., new construction, reconstruction, or rehabilitation...with suitable amenities, including real property acquisition, site improvement, conversion, demolition and other expenses...and to provide for the payment of reasonable administrative and planning costs; and to provide for the payment of operating expenses of community housing development organizations (CHDOs) – 24 CFR 92.205(a). Each participating jurisdiction must set aside 15% of their HOME entitlement for CHDOs.

Projects for the 2009-10 fiscal years are presented in the following format:

Proj. No.	Agency Name Agency Address Agency City/State/Zip Code (only if NOT in El Cajon) Project Site Address Brief description of project. Therapy dog ... ask a trainer - part 2

by Nan Arthur,
CDBC, CPDT, KPA CTP

Dear Trainer,
How do I get my dog involved in therapy work? My dog is so gentle and sweet and loves everyone that she meets, and I think she would be really good at helping to cheer people up that are sick or in extended care facilities. Any time I don't feel well, my dog will just come and sit near me and it makes me feel much better.

Signed,
Healing dog mom

And now for the rest of the story. Part 2

Test 6: Sit and down on cue and Staying in place

This test demonstrates that the dog has training, will respond to the handler's cues to sit and down and will remain in the place asked by the handler (sit or down position, whichever the handler prefers). The dog must do sit AND down on cue, then the owner chooses the position for leaving the dog in the stay. Prior to this test, the dog's leash is replaced with a line 20 feet long. The handler may take a reasonable amount of time and use more than one cue to get the dog to sit and then down. The evaluator must determine if the dog has responded to the handler's cues. The handler may not force the dog into position but may touch the dog to offer gentle guidance. When instructed by the evaluator, the handler tells the dog

to stay and walks forward the length of the line, turns and returns to the dog at a natural pace. The dog must remain in the place in which it was left (it may change position) until the evaluator instructs the handler to release the dog. The dog may be released from the front or the side

Test 7: Coming when called

This test demonstrates that the dog will come when called by the handler. The handler will walk 10 feet from the dog, turn to face the dog, and call the dog. The handler may use encouragement to get the dog to come. Handlers may choose to tell dogs to "stay" or "wait" or they may simply walk away, giving no instructions to the dog.

Test 8: Reaction to another dog

This test demonstrates that the dog can behave politely around other dogs. Two handlers and their dogs approach each other from a distance of about 20 feet, stop, shake hands and exchange pleasantries, and continue on for about 10 feet. The dogs should show no more than casual interest in each other. Neither dog should go to the other dog or its handler.

Test 9: Reaction to distraction

This test demonstrates that the dog is confident at all times when faced with common distracting situations. The evaluator will select and present

two distractions. Examples of distractions include dropping a chair, rolling a crate dolly past the dog, having a jogger run in front of the dog, or dropping a crutch or cane. The dog may express natural interest and curiosity and/or may appear slightly startled but should not panic, try to run away, show aggressiveness, or bark. The handler may talk to the dog and encourage or praise it throughout the exercise.

Test 10: Supervised separation

This test demonstrates that a dog can be left with a trusted person, if necessary, and will maintain training and good manners. Evaluators are encouraged to say something like, "Would you like me to watch your dog?" and then take hold of the dog's leash. The owner will go out of sight for three minutes. The dog does not have to stay in position but should not continually bark, whine, or pace unnecessarily, or show anything stronger than mild agitation or nervousness. Evaluators may talk to the dog but should not engage in excessive talking, petting, or management attempts (e.g., "there, there, it's alright").

Equipment

All tests must be performed on leash. Dogs should wear well-fitting buckle or slip collars. Special training collars such as harnesses or head halters, are not permitted in the CGC test. We recognize that special training collars may be very useful tools for beginning

dog trainers; however, we feel that dogs are ready to take the CGC test at the point at which they are transitioned to regular collars. The evaluator supplies a 20-foot lead for the test. The owner/handler should bring the dog's brush or comb to the test.

Encouragement

Owners/handlers may use praise and encouragement throughout the test. The owner may pet the dog between exercises. Food and treats are not permitted during testing, nor is

the use of toys, squeaky toys, etc. to get the dog to do something. We recognize that food and toys may provide valuable reinforcement or encouragement during the training process but these items should not be used during the test.

Failures- Dismissals

Any dog that eliminates during testing must be marked failed. The only exception to this rule is that elimination is allowable in test item 10, but only when test item 10 is held outdoors.

Any dog that growls, snaps, bites, attacks, or attempts to attack a person or another dog is not a good citizen and must be dismissed from the test.

Good luck,
